Ticknor P. Lothian, MD Jul 18, 2018 The carpet cleaning is fast, the carpets are clean, smell great. I would highly recommend to anyone who wants great cleaning of area rugs.

Look no further for rug cleaning. This company will take care of everything you need at remarkably affordable prices. For those who have collected "oriental" rugs during travels or deployments and you need an appraisal - this is THE place to go.Great to work with the team. Everyone I encountered loved their jobs and were great at teaching some new knowledge for me as they showed me the finished products.Finished Work: I don't believe you can find any better place within 500 miles of Annapolis. The cleaning of a large deep pile Chinese carpet, with multiple stains of unknown origin (think "crime scene from incontinent pets and muddy shoes") was remarkable. We were stunned when we unrolled it to place it in a room. Were it possible I would say the rugs shined like a newly waxed Rolls Royce.Stop looking around. This is where you want your rugs treated with care.

Cunningham's was professional and thorough.

We were very happy with every aspect of Cunningham's Rug Cleaning!!!!!

Grabowski J. Severna Park, MD Apr 16, 2018 Cunningham cleaned a flockie rug which are difficult to clean & did an amazing job

Minor repairs to carpet (Karastan rugs) were extremely expensive. Opted not to have the repairs done.

Our experience with Cunningham's was terrific. Not only did they do an amazing job with our rugs, returning them in beautiful shape, but they also did an amazing job with upholstery. The thing that sets them apart, though, is the professionalism and friendliness of their staff.

Cunningham's Rug Cleaning made my rug soft again. I hadn't realized how much it needed to be cleaned. They came to the house, moved my heavy furniture off the rug and took it away to be cleaned. They also repaired a frayed edge and return the carpet, placing the furniture back where it went. They made the whole process very easy and I am really glad I called them.

Great job!! Our rug smells fresh and looks clean, no signs of old dog pee stains. Thanks guys!!!

Excellent -- this is the second time we have used Cunningham's for our precious Chinese wool rugs, including several large 12x14 rugs. They get thoroughly cleaned without any damage at a reasonable price.

Cunningham's was very responsive and exceptionally accommodating in helping us recover from water damage in our home. Their work was excellent and provided terrific pick up and delivery service. I highly recommend their services.

Very professional and our rugs came back looking good.
