David did a great job installing my front entry door and storm door. There was an issue with the entry door and he made sure that it was resolved quickly. He has excellent communication skills and discussed the job in detail before the work was performed.

COMMENT

Knowledgeable and east to work with.

COMMENT

Additional Comment
Apr 18, 2016

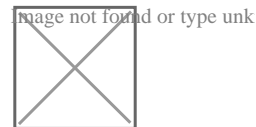

Professionalism and quality of work. The painter was attentive to questions and details. The area was left very clean at the conclusion of the job.

David Morehouse is wonderful to work with. He has done several projects for me before, smaller than this complete bath remodel. I am so happy with the outcome. David is a good communicator and partnered to bring my vision to life with his high quality work. He and Jeb are a pleasure to have in the house - they keep the work space tidy and clean.
