We had a very pleasant experience with the QHP team across the board. Every person involved in the purchase and installation of our system was very courteous, knowledgeable and professional. Additionally, we have had regular follow up from the team to make sure our system is in good working order and that we are satisfied customers.

Only reason I gave some 3's was because of  
miscommunication on the installation. Everything was  
great!

I very much enjoyed the whole experience. Lee Holden was a professional salesman, but not pushy at all. I didn't feel pressured to buy anything. My wife and I are very much enjoying our new water softening system. Although the cost was fairly high, I believe the value is much higher. I strongly recommend Lee Holden and Quality Home Products of Texas.
