The installation went very well, as did the removal.
And in a timely manner.

REVIEW

David B.
Plymouth, MN
Sep 27, 2018

Very satisfied with the installation and removal of the old water softener. Although the old softener was not removed after installation it was accomplished within a week of installation.

Very impressed with Justin and appreciate the time
table. Everyone was on time.

Justin and the service man that put the system in. I
wasn't there but my husband said he was very nice
and did a good job.
