I have built five houses in my life, and I have never had an experience as pain free as building with Westport Home. We were especially happy the construction manager, Paul. He did a nice job. I was very very happy.

Mike was very beneficial in finalizing our decision on the home. He was very kind and thorough and he was able to put my mind at ease, I asked a lot of questions. I didn't feel like it was a gimmick at all. Throughout the building process they were easy to communicate with and at the end they were honest if there was ever something wrong.

We were fortunate to work with a professional and devoted sales person and a knowledgeable and committed on-site superintendent. In both cases, the service was commendable.
