Eli and his team provided exemplary work in our home from painting, to tile work, to grout work. Eli and the team went above and beyond to make sure we were completely satisfied with the work being done. The team was punctual each and every morning (8 full days of work). The workmen were respectful, polite and skilled. We could not be more pleased with the results. Working with Eli was a total pleasure. We **HIGHLY** recommend your choosing to work with Fresh Coat Painters of Bellaire! If we could give more stars to our rating, we would.
