I'm so happy with my ceilings that were painted by fresh coat. They worked with my schedule and my budget. They stuck to their timeline and were able to complete the project in a timely manner. The work is great, the house is over 40 years old but the ceilings look brand new.

I never leave reviews. BUT the quality of service and craftsmanship were too good not to give feedback. This company goes the extra mile. Fast, efficient, friendly, and their price was about 15% lower than my other bids. Sean and Mike are true professionals along with their crew! Highly recommend.

The team at Fresh Coat are top notch, I am a return customer, from the beginning to end they kept me informed of every step of the process and what to expect along the way. This most recent time one of my projects was a surprise for my boyfriend - to have the garage popcorn ceiling removed and garage walls painted while he was out of town, they went ABOVE and BEYOND to make this happen for me, and it looks so great - like brand new. Sean and his crew/staff were friendly and professional. I could not be happier, I had referred my folks to Fresh Coat and they got most of the interior of their house painted and were also beyond satisfied.
