We're glad we went with Fresh Coat to paint our house. Words can't describe how awesome our house looks now! The staff was friendly and easy to talk to. Jordan was very pleasant to work with as he made sure we knew what we were signing up for. I would recommend Fresh Coat to anyone that is in the market to paint their home. Trust me, Fresh Coat is the way to go! I will be going with Fresh Coat for other home upgrades in the future!

The owner of the company is very personal and knowledgeable. His name was either Jason or Jordan. His lead painter Roy is awesome, too.

Fresh Coat Painters of Goodyear is an outstanding company to do business with. In this day and age where it seems there is such a lack of professionalism in the business community, Fresh Coat Painters of Goodyear stands head and shoulders above the crowd. I wish every contractor that I have business dealings with, would be as professional as Fresh Coat.
