We had a great experience. We were very please with how responsive they are and how quickly they scheduled it and completed it. My husband is working from home and we have a family member that is ill. They did not interfere with them. They were silent. They were in our kitchen and we could function. They were not intrusive at all.

Over the years we have had many repair men over to repair various problems in our houses and many times what we thought a particular bid included was not exactly what the contractor did. However, with "Fresh Coat Painters of Hudson" their contract and the painting was perfect!!.

The owner, Jerry Cowley, arrived as scheduled to give me an estimate on some exterior painting (shutters, front door, brackets, garage door) after new siding had been put on the house. It was near the end of the season and the weather was getting colder, but Jerry suggested ways to get the most of the work done by painting the shutters and brackets in my garage and the front door inside my house with the storm door closed to keep the colder air out. The garage door will have to wait for warmer weather, but that's ok. The cost of the work was fair and reasonable. The painter arrived on time and did an excellent job--very neat, precise and meticulous and didn't leave a mess. He even suggested a replacement product for some missing wood trim on the garage. I would recommend the company to friends.

Our decision to choose Fresh Coat Hudson was by far the correct one. My wife and I could not be pleased more with the entire staff. Most paint contractors I have dealt with in my time were not timely, neat nor efficient. This was not the case with Jerry, Vinny and Rick. They gave me a start time and it happened. Any questions we had they answered immediately. The final result from Rick the painter was unbelievable! Attention to detail in every area is a strong point of Fresh Coat. They treated us like family! They will be the only Paint Contractor I will recommend in the future. Thank you Jerry, Vinny and Rick of Fresh Coat Hudson!
