Kenny and his team did an excellent job. I've used them again since this first project and will continue to call on them.

Kenny is a great person to work with. He was fair and honest and did exactly what he said he would do. The painter, Salvino, is one of the nicest and most pleasant workers I have ever had do work for me. He was very neat and professional and his quality of work was outstanding. I could not recommend Kenny and Fresh Coat Painters more.

Enjoyed working with Kenny. His crew is very professional and when they were finished, you couldn't even tell they had been here, except for the outside of our house looked brand new!

Top rate. I'd call Kenny and his team again without hesitation. He's done three jobs for us over the last few years and we couldn't be more pleased.

The entire exterior of our house was painted and the wood deck and concrete patio was stained in a very professional manner. Prior to painting, all areas were power washed, thoroughly caulked, and extraneous nails, hooks, etc. removed. The finished project was exactly as we envisioned it. And the project was completed in less time than quoted even with the additional add-on work we requested.
