I was very pleased with Fresh Coat Painters, they were very good with communication, showed up on time, and worked within our scheduling requirements. I will absolutely use them again as their workers were very conscientious and didn't leave us with a mess to deal with. I highly recommend Fresh Coat Painters and have already recommended them to friends!

Fresh Coat Painters were very professional. It was the one contractor I did not have to worry about. They delivered a quality product and the website was easy to use. Would definitely recommend them.

Nelson, the representative worked with me, he was great and flexablilty to our project. I had 6 estimates and he was the one who worked with me regarding the budget and what I wanted done. He also recommended that we paint the siding since the trim was in good shape. Next year we can just get the trim and I will have them come back to do it. I appreciated that they worked within my budget, timeline and gave options to make the project work.
