Dave and his team did a great job with the staining of our cabinets. From the start, Dave took the necessary time to walk us through our project. I like that Dave is highly involved throughout the project while being completed. The onsite team makes sure that the work area is kept neat and they are very polite. We would highly recommend Fresh Coat of Richardson

Fresh Coat Painters of Richardson were GREAT to work with. They gave me all my options, took time to walk me through them, and delivered an excellent customer experience and paint job. They showed up exactly when they said they would, and cleaned up everything each evening. Also the price was reasonable. I highly recommend them.
