N & C Construction quoted us a price to be done completely. It was done professionally and on time. We are pleased with the service.

Nelson and his crew did an amazing job on our basement and they were so easy to work with. Everyone goes crazy when they see how nice our basement looks - Love it. Would highly recommend them.

They were very professional and knowledgeable about what my job needed. They also were very neat and cleaned up every day before leaving the working site each day. This was a life saver for me. I thought I would have such a mess. NO mess at all.
