Remodel Partner, Inc.

REVIEW

John A.

Itasca, IL

Jan 18, 2019

John is easy to work with and very professional in his work ethics, from beginning to the end of the design and construction processes! The Architectural Bid Package helped us be able to see our project from a two & three dimensional perspective along with a detailed costing breakdown before it even began. I will gladly recommend Remodel Partner, In. anytime.
