### REVIEW

Bill F.  
Dallas, TX  
Sep 10, 2018  
★★★★★

I have been using Southernwind Pools, Inc. for several years. I have never been disappointed in their service. I do not recommend companies lightly, because my recommendation is attached to that recommendation. I recommend Southernwind Pools, Inc. without any reservation.

★★★★★

Sales and construction is great. Warranty items have taken multiple times to fix and communication is poor. We love the designer and owner. They have been great.
