### REVIEW

Diane R.  
Saline, MI  
Nov 28, 2018  
★★★★★

Yellow Rose Builders gave me an estimate for work to be done in a real estate transaction. We based our selling decisions on their written estimate. When it came time to get the work done they said the estimate was wrong and kept bouncing my questions between 3 or 4 people without resolution. They created a great deal of problems and unhappy people. The transaction almost went to court and they would have been sued.

★★★★★

They were a good company, we had no issues at all.
