The way the upper glass is cut on a triangle to fill in the sides at the top to allow roof taper ; was a nice design.

Excellent quality and workmanship. The work was done right after Christmas in two days-so if you are thinking you can't enclose in winter just call Patio Enclosures.

What the salesman said, didn't always match up with
what the contractors did.

Stanek windows are the best that I have seen and have
been in business a long time. They must be doing
something right!

The installation team worked longer to finish the job
in one day. The house is an old victorian with non
standard windows.
