Bella Cucina West was simply wonderful to work with from beginning to end! Jeana assisted us in a major remodeling job of a mid-century home. She guided us to make choices we love for our kitchen, 3 bathrooms, and a bar/beverage center. She helped us to create beautiful and functional rooms, while staying within our budget. It was so nice to have Jeana trouble-shoot for us when issues came up, saving us time, and resolving any problems very quickly! I would highly recommend Bella Cucina West!

We have used the Bella Cucina West team for 2 kitchen jobs. One for a complete remodel and the other time for a new-build. The expertise and professionalism of the team is superior to any other design team we interviewed. Great customer service before, during and after the project(s) completion. If you are looking for the best, this is it!

Hiring Bella Cucina West for remodeling my kitchen and assisting with our addition was a smart move. Jeana was worth every penny and could really relate to our working cattle ranch lifestyle where everything in the house needed to be very functional, provide lots of storage and be easy to clean. Without hesitation, I highly recommend Bella Cucina West.
