Had a kitchen cabinet that was separating from the wall, and was having a terrible time trying to find someone to take care of it. Went through various on-line sources, but couldn't even get a call back. I finally called Connor Contracting (cabinet installers) and they advised that they don't do this type of repair. BUT - they were so considerate to take the time to call me back and refer me to Built by Grace. Soooo thankful for this referral - Jason was quick to respond to me call and scheduled an appointment for me. To my surprise, I got a call from Bill and he was able to come out right away. He did a great job, left the work area spotless, and even offered to the decorations back on the wall. Built by Grace will definitely be my new go-to guys for future needs (big & small)!! Thank you Connor Construction, Jason & Bill @ BBG!!
