

# CUSTOMER FEEDBACK REPORT *for* Campbell Restoration

## REVIEW

Howard M.  
Pickerington, OH  
Feb 05, 2021

We had restoration work done to eliminate water intrusion and restore damage to family room ceiling. Chris Buck was the supervisor on our project. He definitely deserves our highest rating. His coordination of the work was very professional. He communicated constantly and scheduled the work in a timely manner. He carefully explained each step of the restoration and delivered a high quality of workmanship. We are highly pleased with the result. Campbell Restoration delivered exactly the services needed to achieve an outstanding result. Howard M
