The staff at Carnegie Kitchen & Bath were very pleasant and answered our questions in a timely manner. The project was completed with a few delays. We love our kitchen! We would highly recommend Carnegie!

The installers' day to day work ethic and professionalism made the job 100% better than I thought it would be. It was a very good experience.

GUILDMEMBER SINCE 2015

As a GuildQuality Guildmember, Carnegie Kitchens & Bath relies on our customer surveying to help them deliver an exceptional customer experience.

I have certainly had guest that were astounded by the transformation of my 50 year old kitchen into a new one. It was a good investment and there were no overruns in the price.
