I am so glad that we met Mike and chose Elite Home Restoration. Mike was very friendly and knowledgeable about the products and material. He was also very helpful with insurance information. He was always just a call away to answer any questions we had. I would have to say as well that Mike went above and beyond to get the job done in a timely manner. We would highly recommend Mike to anyone looking for a new roof or new siding.

I most satisfied with working with Peter. Peter was very knowledgeable and professional. Peter, sold me on the project. I did not speak with anyone else but Peter. It was because of him, I put my trust in Elite Home Restoration.

I was most satisfied with the sales representative. He was personable and went out of his way to help. He showed up when the job started to check in and was there when the job finished.

I think our rep was very responsive, went out of his way to make sure we got what we needed, and was very good with the overall process.
