We would like sincerely thank our project's supervisor, Dave Sisson, who kept the whole process running smoothly and on time. After living through one lengthy remodel it was truly a delight to have this project run smoothly and even ahead of schedule. Last, but not least, we would like to thank Matt Jones for making both our experiences with Greater Dayton an extremely positive one. Without his expertise and vision neither one of these of remodels would have occurred. He was able to take all our ideas, both doable and some not so, and create spaces which we love.
