Bill at Kitchen & Bath Design Store was a pleasure to work with. He's a great guy and always showed up when expected. He's an expert craftsman so if you are particular about your work - straight lines and joints lining up, everything done properly - Bill is your guy.

GUILDMEMBER SINCE 2014

As a GuildQuality Guildmember, Kitchen and Bath Design Store relies on our customer surveying to help them deliver an exceptional customer experience.

Bill has done many things over the years. The bathroom remodel was our biggest job a few years ago. Everything has been great, and work really well.
