Millstone Homes, Inc

REVIEW

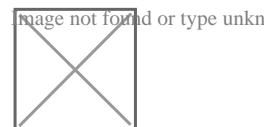

Neil S.

Athens, GA

Sep 16, 2017

Watch your budget. We were way, way over budget. A large part of that was due to miscommunication. Keep track of every nickel that you spend. I didn't do that, and we were about \$100,000 more than where we wanted to be. They could also be more up front with costs and setting a clear expectation with that.
