Oakmont Builders were marvelous. Always on top of things, whether it was the workers being delayed and for what reason or any and all. Bill was always available to respond to my questions and/or concerns; very thorough in explaining what and when things would happen; extremely beneficial in assisting in the final style and colors. Very highly recommend Oakmont Builders and Bill.....

Oakmont Builders was a pleasure to work with. We've done several projects on our house over the years and this was by far the most professional and efficient company we've ever worked with. I would recommend them highly!
