Siewers Lumber & Millwork is by far the best Lumber and Millwork business I know of in Virginia. They have been in business for a long time, and they are family owned. They are an excellent company.

I've been in business with Siewers Lumber & Millwork for 14 years. The Siewers family are trustworthy and friendly people. The company has some of the best lumbar products I've ever seen in my life and no one surpasses Siewers in terms of quality. Also, they're just darn nice people.
