Installer was exceptional and efficient. Was amazed that he was able to do this installation all by himself. He was also very professional. Great job, thanks.

The craftsmen that were here were meticulous in everything they did. They communicated well, and let me know everything that was going on. Their attention to detail was amazing, there was no small detail that they didn't take care of. I was amazed, they are the best quality contractor I have ever used.

GUILDMEMBER SINCE 2013

I have purchased windows and vinyl replacement and would call them back for my first choice. It's hard to find a company that has the high level of standards Speaks offers and lives up to.

We have surveyed customers on behalf of Speaks Custom Window & Sunrooms in Salisbury, NC; Rockwell, NC; Kannapolis, NC; China Grove, NC; Mooresville, NC; Faith, NC; Concord, NC; Lexington, NC; Cleveland, NC; Charlotte, NC; and 8 other cities in North Carolina.
