I thought it was an excellent value. I got a couple other prices that were considerably lower, but I was very happy with the quality of the work I received.

Super Siding has always treated me fairly, and I've recommended them to a number of my friends.

Super Siding staff was very professional and always kept the area nice and clean while working. The staff did the main entrance work while the office was closed so it wouldn't inconvenience any of the clients coming into the office; it was very appreciative. Work was accomplished on schedule.
