Why didn't we this 10 years ago?? Because it took us that long to find Acadia and we insist our friends not make the same mistake. Local and affordable, we were afraid we were going to have to sacrifice one of those but with Acadia, we didn't have to. Rick made the sales process easy for us and even opened the shop up on a Saturday so we could have a look at the windows before we purchased. We are so happy with the quality of our windows and our installers, Matt & Adam were awesome. Thank you Acadia!!!
