We have used Kevin & Luis twice, so far, for our outdoor lighting and plan a 3rd project shortly when doing our backyard. Their workmanship and suggestions have generated a lot of positive comments about our landscape from others. We have recommended AZOL to several potential customers.

Arizona Outdoor Landscape Lighting did amazing job lighting up my commercial building. The owner, Mike was very knowledgeable and had excellent suggestions on how the building should be lit up. The end result was way more than I expected. My tenants absolutely love the way it turned out and I have received many compliments on it. I would definitely recommend them.
