Brytan is by far the best location in Gainesville. We love living at the corner of Archer and Tower. Having a Publix and CVS right across the street and a variety of restaurants is priceless. It is convenient to go up Tower Rd to get to shopping on Newberry, Butler Plaza is right down the street, and we are also convenient to the VAMC and Shands. The homes in Brytan are gorgeous. The master plan of the neighborhood and architectural detailing creates a unique, yet cohesive, design that makes for a welcoming and warm place to call home. The developers are wonderful people to work with who truly care about the neighborhood and it's aesthetic qualities; they also care about the people who live here and their experience as part of the Brytan community. We are so glad we chose Brytan as our home and know that many years from now we will still have a great investment with a beautiful house in a vibrant , technologically-advanced neighborhood!
