While the installation went great, it took 6 weeks to get them scheduled. In addition, I was told by the salesperson that I had to replace two windows entirely. Trevor showed a work ethic rarely seen by the young these days. He was meticulous in his work whether it was working on building the room or cleaning up....

The Windows were installed beautifully and since they fit so well, they didn't have to put a wood frame around the edges of the windows. One of the great selling points was the excellent warranty.
