Very thorough and professional group. I ran a sink over creating a mess and they came right away to extract the water. Did an excellent job. Would definitely hire them again!

This is the 2nd time I've had A Nicer Reflection come to my home due to an insurance claim both were water damage. They were very responsive on both occasions. They explained the process and the schedule of all that needed to be done. Called ahead of time to let me know they were on the way as well as follow up calls to check to see how everything was going. Everyone I've dealt with has been very professional, courteous and friendly. I couldn't be more pleased with the overall service I've received.
