Great job at a fair price - hard to find these days! This was a fairly big job (5 rooms downstairs - kitchen, sunroom, family room, dining room, living room - and stairwell and upstairs hallway, 15 doors painted between the 2 floors). They addressed the few minor items we identified near the end of the job right away and delivered the job on time. I would recommend Lamont's company to anyone looking for quality work at a fair price.

Lamont was a referral from the Sherwin Williams of Middletown. His pricing was competitive and he stayed in communication throughout the process. The painting crew was meticulous and demonstrated willingness to listen and exceed our expectations. Definitely recommend getting a quote from Fresh Coat.

I am not sure how long the paint will last because of all of the rain that we have had. I can't seem to get him to get back in touch with me about that.

Looks great and has totally transformed a very drab garage. The epoxy floor coating seems to be very durable, used the tan color for a "warm" look. Good contractor that completed work on time. Contractor's workers showed up on time, and I was given updates on the process. The contractor and workers were very professional and courteous, cleaned work area when job was completed, overall a good job was done. I would use this company again.
