Fresh Coat Painters of Eden Prairie did a great job reviving wall paper and painting 3 rooms for us. They stuck to their schedule despite a big snowstorm and a painter falling ill. I would definitely recommend them.

I can't say enough positive things about Fresh Coat of Eden Prairie. My sister referred them to me after her great experience and I am so glad she did. We were under a time crunch moving into a new place and Jerry juggled his scheduled to get my place done before the move. The workers were friendly and polite and very skilled at their craft. There was a miscommunication in one of the rooms but without even discussing it Jerry said he would do the work at no extra cost for paint or labor. A wonderful experience. We highly recommend them and will definitely call them again.
