Fresh Coat did a great job preparing and staining my deck. The staff was friendly and knowledgeable. They took the time to prepare the area so that there would be as little a mess as possible from the sanding and painting. All the work was done in a timely manner and looked great. Very happy with the work Fresh Coat Painters did for me, I will definitely use them for future projects.

Scott and his crew painted the cabinets in our master bathroom - and they look great!! What a change for the better. Everyone showed up at 9:00am and the work began. The entire job was completed by 3:00 the same day and I couldn't be happier. I will definitely call Fresh Coat Painters for all of my future painting needs. Thank you Scott, Mark, Veronica and Maryanne!!

We are very happy with all aspects of the exterior house painting done by Fresh Coat Painters of Fort Collins. Scott, the owner, was knowledgeable, helpful and answered all of our questions, including many which we thought of later and he was always prompt to get back to us. Also, the team that did the painting were excellent. They worked so hard, did a fantastic job and cleaned up every day. We would recommend Fresh Coat Painters of Fort Collins to everyone!

We 3 large decks re-stained. I would have taken months to do the work myself, Fresh Coat Painters did it in a handful of days. Scott was great to work with. His painters were timely, tidy, and did good work. They responded quickly and well to requests. I would highly recommend Fresh Coat Painters.

We had our whole house and all of the ceilings painted. We also had all of the oak trim and doors painted white and the stairs and banister painted black and white. We replaced the baseboards with 5 inch trim and had the fireplace painted. They painted closet doors and replaced hardware throughout the house. They painted the garage door also. We are pleased with everything. Scott and his whole staff are extremely professional, knowledgeable, and detail oriented. They worked to solve a problem with our ceiling which wasn't even due to them. They were easy to communicate with and we felt completely comfortable discussing everything with them. The whole staff is very considerate and friendly. They did their best to clean up each time before they left so that we could still live in the work areas. I would have to say that we felt very comfortable working with everyone and with having them in our home. We would and will definitely work with them again.

Comment from Fresh Coat Painters of Fort Collins

Fresh Coat is fortunate to be able to provide quality service to customers like Ray and Kathy. We thoroughly enjoyed working with you on everything. We faced some challenges and together worked through them. We hope you're enjoying the freshly painted rooms and fireplace. Looking forward to seeing you again.
