Jennifer and her painters were the best!!! We had so many things going on with our remodel and Jennifer checked in frequently to make sure we were ok and when they can resume working. It was so nice to know that she was always making sure we were satisfied! The best deal with the best painters in my book!!!

A thousand thank-you's to Jennifer for putting together a painting project on a short deadline. The paint color she helped me pick was perfect. It was the week before Thanksgiving and I needed a bedroom painted before guests arrived. This is a busy time for renovation and despite the tight deadline, Jennifer made it happen. The painters were top-notch pros and the room looks amazing. The price was reasonable and the work spectacular.

Comment from Fresh Coat Painters of Monrovia

Casey, What a difference a coat of paint makes. It was our pleasure. Thank you for taking the time to complete the survey review. Kind Regards, Jennifer Burgh

From the moment I met Jennifer for our walkthrough and consultation, I knew I was working with the right company for our paint job. As someone who knows nothing about paint or hiring painters, she helped me understand everything from start to finish, and even offered fantastic paint tips/advice. From start to finish the process was seamless, and the paint job itself was faster than I expected. I am happy to recommend Fresh Coat Painters of Monrovia to all of my friends and family in the area.

Fresh Coat Painters came in to paint my living, dining and entry. My husband and I were more than happy with the work they performed. They were on time, completed the project ahead of schedule, and adhered to the agreed contract. They covered every inch of flooring and furniture that was in the space and were so clean my husband couldn't find an extra drop of paint even though he looked hard. We **HIGHLY** recommend them, and Jennifer is delightful to work with. She met me at the paint store to help pick out colors and made suggestions. I will be recommending them to all my friends and acquaintances.
