This is the second time I've use Fresh Coat Painters for one of my commercial properties. I've been extremely satisfied with the results both times and will continue to use them for all future painting projects.

Well, I hired Greg for a few small projects at first. Jerry was one of the painters that also worked hard on the projects. I was extremely pleased with the results and so I decided to hire them for more projects and will continue to do so in the future.

Fresh Coat was timely, cost effective and provided a quality finish to our deck that was not maintained well the last few years. I will be using Fresh Coat for future service!
