Fresh Coat Painters of Savannah

REVIEW

JT C.

Bluffton, SC

Jun 01, 2017

Estimate was very reasonable and scheduling was convenient. Paint crew showed up at appointed time and started work. The crew were fast, professional and clean. Finished ahead of schedule. Returned the next day to do touch up work on spots that were missed. We painted same color and it was difficult to see in the afternoon light. So touch up the second day resolved any missed spots. I'll use them again when I do the upstairs rooms.
