There was a lot of touch ups they had to do and some corners showed white coming through. There was a lot of over splatters on the new floors we had installed as well.

Fresh Coat South Jersey did an excellent job on the recent redecoration of much of our living space. What drew us to Kris and his guys, Joe and Jamie, was their expertise in wallpaper removal and repair on top of their excellent painting references. Choosing Fresh Coat was a great choice with awesome results at a fair price. We couldn't be more satisfied and will without question engage Fresh Coat for additional work in the near future. Thank you Kris, Joe and Jamie!

The job that the guys did was outstanding. They just didn't remove wallpaper and paint the walls. They fixed all the imperfections that were found under the wallpaper. Our house looks like it did when it was brand new . They were also considerate and very friendly. I highly recommend FreshCoat Painters of South Jersey.

They were WONDERFUL. Everyone was very courteous. The workers were experts at what they did. My house was very difficult to paint as it is a Colonial style home. There are a lot of different colors and a lot of detail. Fresh Coat Painters did a fantastic job.
