Linda and I are very pleased with both bathrooms remodeled by Gehman Design Remodeling. It was a pleasure to work with Gary Hoch to choose components and design. Mike Gorley - our project manager - was very professional, accommodating, and extremely communicative about problems and scheduling. Mike...

We are very happy with our kitchen remodel and new build. Our project was a difficult one, at best, because it entailed a complete demolition of the central portion of the home. The workmanship exhibited by Gehman Design Remodeling was excellent. The men were always pleasant, on time and easy to work...

I appreciated the communication I had with my contractors and the detail and explanations they gave me about my bathroom problems, why they were doing it that way, and how to fix it.

We are very pleased with the renovation of our property in Harleysville into the new WordFm Station facility. Not only is the new facility beautiful and functional, but we have also received many positive comments from folks who pass by the property on their daily travels.
