I have used this company multiple times and have recommended them to family and friends. This is a company that I enjoy doing business with and they have never disappointed me. The crews are on time, courteous and complete the job in the agreed upon amount of time. The work is high quality! Thumbs up for Mid-South Remodeling & Painting!!!

They did an excellent job in all categories. I have worked with a lot of companies in this area and I have been so impressed! The over-site and supervision of this project has been great.

I needed a job done quickly and within my limited budget, and Mid-South came through! I also had a very erratic schedule and Mid-South was able to accommodate. I really appreciated the great job they did and the quick turn-around. My job was kind of high-maintenance, but they were very professional and patient. The final product looked amazing and I would definitely recommend Mid-South to a friend or colleague.
