They adhered to the schedule despite freezing temperatures. The clean up crew even shop vacuumed the street. They did a fantastic job. The scheduling exceeded my expectations and the quality of the work was definitely top notch.

The designer at South Shore Gunite Pools & Spas was on hand from start to finish and did a wonderful job. Unfortunately, our project manager was MIA throughout the whole project. Upper management resolved all issues and the end result was amazing. We would highly recommend South Shore Gunite Pools & Spas to anybody.
