Triangle transformed our aging masonite/wood exterior with all Hardie products and now it looks brand new! They were able to do the entire job (siding, trim, gutters, two windows and paint). Brandon - the project manager - kept us well informed throughout the process. The crew was great; they worked...

I was most satisfied with the project man, Brandon, and the renderings he provided for the concept to promote my house for the renovation and complete redesign. I was also impressed with how clean the job site was and picked up.

I just googled local companies, really nothing more to that--just three local companies that had a wide variety of services for what I was looking for. I went from vinyl to hardie plank, and I had a stone front installed and new custom iron railings made, so I was looking for a company that could encompass...

Triangle Home Exteriors did an excellent job! They replaced the wood on our brick home with James Hardie siding, replaced the exterior doors and front storm door, replaced the roof and gutters, and replaced the screen on our screened in porch. Mike and Brandon went above and beyond to make sure we...
